Detailed explanation of the project:

Inspector must be notified and approve all work under this permit. For inspections call and schedule at 210-494-2023 ext. 224.
Re-Inspections are subject to a \$50.00 charge.

This permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced. **For tree permits this is only valid for 7 days from the date received.**

I hereby certify that I have read and examined the application and know the same to be true and correct. Provisions of the adopted 2006 International Residential Code, 2006 International Building Code, 2005 National Electric Code, as well as laws and ordinances governing this type of work will be complied with as specified here or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
