Town of Hollywood Park
National Night Out

You are invited to participate in National Night Out on Tuesday, October 6, 2026.

National Night Out is designed to:
Heighten crime and drug prevention awareness.
Generate support for, and participation in, local anti-crime programs.
Strengthen neighborhood spirit and police-community partnerships.
Send a message to criminals letting them know that neighborhoods are organized and fighting back.

Residents are encouraged to lock your doors, turn on your porch lights, gather with your neighbors to show unity against criminal activity. Some residents will be having special events such as block parties, cookouts and various other activities.

The purpose of National Night Out is to build strong partnerships between the police and communities and to promote crime awareness programs. According to the National Association of Town Watch, last year's National Night Out was the biggest ever, involving 38 million people in 16,000 communities from all 50 states, US territories and military bases worldwide.

If you would like to participate in National Night Out, please complete and submit this registration form. The registration deadline is 5pm on October 02, 2026.
